Can I play without joining the club?

We allow prospective members to play a few times before joining but otherwise no. How much does it cost to join?

That depends on when you join. The club's season runs from 1st September to 31st August each year. New members pay a pro-rata fee for the remaining months in the season including the month in which they join. You [join and pay on-line here](#).

How much do courts cost?

£3 for 45 minutes up until 3pm. £4 for 45 minutes thereafter.

Juniors pay 50p for 45 minutes at off peak times.
